01 / ARTIST BIO

Voyce Butler is an independent R&B singer and songwriter based in Houston, Texas, creating contemporary R&B built around real vocals, songwriting, emotion, and hip-hop influence. As an independent artist, Butler is building his career from the ground up through original releases, digital promotion, live performance, radio outreach, and direct audience development.

His current single, "All Damn Day," represents the direction of the Voyce Butler sound: modern R&B that maintains the vocal and emotional foundation of the genre while competing in today's music landscape.

Voyce Butler is BMI registered and independently developing his music, visual identity, promotion, and growing artist brand.
